"FOWL PLAY!"

A SUPER DUCK STORY

"LOOK OUT, SUPE!"

It'd been a wonderful picnic lunch. Uwanna had spread a blanket under a red oak and covered it with goodies. They'd eaten sandwiches that were juicy with giblet gravy, and hard-boiled eggs and cake and pie until they all were near to bursting.

This was Deer Park, the big game preserve, where the deer and the brown bears and the squirrels were so tame and friendly, they'd actually pick your pockets for peanuts and popcorn. In fact, Buffo the tame brown bear had invited himself to lunch and had filled up on ice cream and turkey sandwiches.

Super was lying under a tree, enjoying an after-dinner snooze. Buffo, the uninvited guest, had wandered off. A bottle of black raspberry soda was making Fauntleroy happy when suddenly Uwanna let out a scream.

"Supe!" she cried. "Supe! Buster's disappeared!"

Super sat up with a groan.

"There's Buster's tracks!" Uwanna cried, pointing to the imprint of shoes. "Oh, Supe, he's so helpless. He's gone into the wilderness! He'll get lost and hurt! He'll starve!"

"Not after all the food he packed into his stomach," Supe said. He got up. "Calm yourself, Uwanna. I'll bring Buster back. I'm an old tracker. I'm a cross between a

bloodhound and a Mohawk Indian. I could trail a mouse through seven States."

Fauntleroy picked up his coil of rope. "I'll come along and bring my rope."

"I don't need you," Supe said. "And you don't need the rope."

"Just the same," Faunt said, "I'm bringing it."

The tracks of Buster's shoes led through a briar patch where the thorns tore their clothes. Supe and Faunt came out into a clearing. The tracks went to a tree with a big hole in its hollow trunk.

"Sh-h-h." Supe whispered. "Buster's climbed into this hollow trunk and gone to sleep. I'll surprise him."

Supe stuck his head in the trunk.

"Look out, Supe!" Faunt shouted. "Bees!"

The hollow trunk held a beehive.

"Wow!"

Supe's head popped out of the trunk covered with angry bees.

"They're killing me!" he yelled, running around crazily.

Faunt filled his hands with mud and plastered Supe's bee-stung face. Supe looked like he'd dived into a mud puddle.

"The mud will ease the stings," Faunt said.

With Super still groaning, they found the tracks of Buster's shoes near the tree. The tracks stopped at a shallow pool. Supe stepped into the water.

"Look out, Supe!" Faunt yelled, pointing to a warning sign. "Quicksand!"

Supe let out an unearthly scream. He was sinking in the quicksand. He was going down fast. Faunt tied his rope to a tree and threw the other end to Supe, who was already waist-deep. After a hard struggle Supe got himself on solid earth. He was torn and wet. His face was swollen and he was mud covered; but he kept right on.

They found Buster's shoe tracks across from the quicksand. Buster apparently had swung over on a low-hanging vine.

The tracks took them to another tree. Supe thought Buster was hiding in the dense foliage of the upper limbs. He climbed the tree and grabbed onto a limb. It was rotten. *Crack-k!* The limb broke and Super hit the ground hard. He was getting madder by the minute.

He followed the shoe marks through poison ivy and a field of stinging nettles, and came out, scratching and squirming, on the bank of a small stream. He tested the bottom. It was solid, and he started wading.

"Look out, Supe!" Faunt shouted. "Snapping turtles!"

"Wow!" Supe screamed. "They've got me! They're biting me! Help! Help!"

Supe fell down, thrashing and flailing in the water. A big snapping turtle had his jaws clamped on Supe's toes. Faunt waded in, got the turtle's hind flippers and twisted until it let go.

"Oh!" Supe groaned. "Wait until I get my hands on Buster!"

Supe next fell down into a dead-fall, a big hole covered over with leaves and twigs.

Faunt got him out with his rope. The rope also got Supe up a crumbling shale bank after a harmless black-snake scared Supe into falling down the bank into a clattering landslide.

The footprints of Buster's shoes went on. It seemed to Faunt that the trail was going in a circle. Supe stumbled along until he came to a cave. It had a big black mouth and it looked scary. But Supe didn't hesitate. He followed the tracks right in.

"Look out, Supe!" Faunt yelled.

A wild animal in the dark cave was snarling viciously. You could see the glaring eyes. Supe came screaming out of the cave with an angry wildcat chasing him. The wildcat would have got his claws on Supe if Faunt hadn't thrown his coil of rope, tripping the savage beast, who went screeching into the wilderness.

They found Buster's shoe tracks beyond the cave. Supe and Faunt went on and on. There was no doubt now that the trail was circling. Pretty soon the tracks brought them back to the picnic grounds. Uwanna was sprawled under a tree reading a book. The remains of the lunch, with a big dish of gilet gravy, lay on the spread-out blanket. Squirrels were jumping in and out of the picnic basket. Supe staggered forward. He looked as though he'd been run over by a tractor.

"Sh-h! Sh-h!" Uwanna whispered. "Don't wake the darlings. Aren't they cute?"

Near the brook Buster and Buffo the brown bear were lying side by side, sleeping peacefully. Buffo was wearing Buster's shoes. It was Buffo the tame bear who'd taken the circling journey through the woods.

Supe took a step and fell flat on his face.

"Look out, Supe!" Faunt shouted.

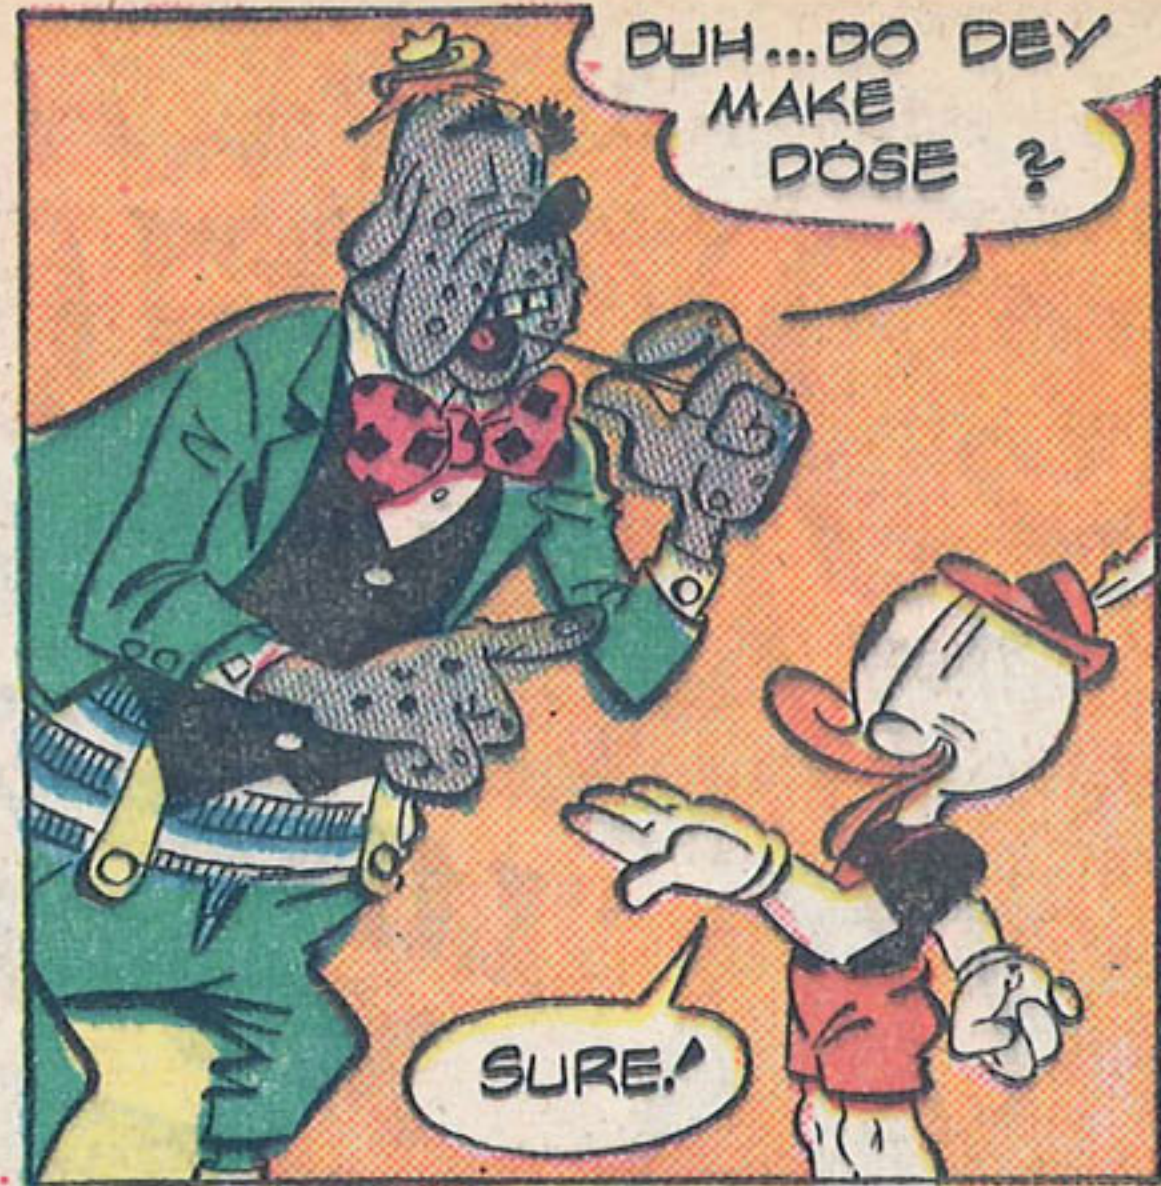

Supe's muddy, bee-stung face had landed in the big dish of gilet gravy.

Magic Seeds in Magic Soil

A real growing Rock Garden — about 100 square inches of sweet grass and bright lovely flowers — for you to care for. When the flowers grow you can pluck a bouquet for your mother or friend. When the grass grows too high you will have to cut and trim it. And all the time you will have a beautiful garden you can be

proud of and show off to your friends. You'll learn many useful things, too — it will even help you understand many things they teach at school.

GEE! IT MUST HAVE TAKEN YEARS TO LEARN TO PLAY LIKE THAT!

NOT AT ALL! I DIDN'T KNOW A NOTE. YET I STARTED PLAYING WHOLE PIECES RIGHT AWAY!

Wonderful, Easy Way to Learn Enables You To PLAY REAL MUSIC Almost Overnight!

EVEN IF YOU DON'T KNOW A SINGLE NOTE OF MUSIC NOW!

Yes, it's TRUE! In just a few weeks, you can be playing REAL MUSIC on your favorite instrument. Not by just a "trick" method that merely seems to teach you music. But really reading and playing actual sheet music—so easily and confidently that your friends will suspect that you've actually "known how" for years!

THOUSANDS NOW PLAY Who Never Thought They Could!

Mother Fulfills Desire

"After I had been married 13 years I saw my chance to fulfill my desire to play piano. In a few weeks I could play pieces a friend couldn't who took lessons for 3 years from a teacher." — Mrs. J. L. Newton, Louisville, Ky.

How Famous Orchestra Leader Got His Start

"I got my start in music with your Course. How easy it is to learn to read notes and play this 'teach-yourself' way! You did so much for me, I've enrolled my two daughters." — Lawrence Welk.

Amazes Friends

"In a few weeks I could play several pieces. Everyone was amazed, especially friends who had had lessons for years and whom it took 6 months to a year to play simple pieces." — Mrs. J. P. Perry, Princeton, W. Va.

NO TEDIOUS PRACTICING OF BORING SCALES AND EXERCISES REQUIRED. Even if you don't know a single note now, you'll "start right in on pieces." This builds up your skill and confidence so rapidly that soon you'll be able to play ALL your favorite songs and compositions *by note*. It's all so clearly explained—so EASY to understand—that even children "catch on" at once.

No Special "Talent" Needed

No wonder OVER 900,000 PEOPLE all over the world have turned to the U. S. School of Music method to make their dreams of playing music come true! No special "talent" is needed. And you learn right at home, in the spare time of YOUR OWN CHOOSING—free from the rigid schedule imposed by a teacher. Costs only a few cents per lesson, including sheet music.

Why Keep on Missing These Joys?

Why not let this famous home-study method bring the many pleasures of music into YOUR life? Good times! New friends. Gay parties. Extra money from playing or teaching. Possibly even a brilliant musical career. Best of all, the deep personal satis-

faction of being able to make your own music—provide your own entertainment.
